# YOUR HANDMADE CAP CAN HELP SAVE A LIFE

Baby caps are a simple and effective tool that can keep babies warm and ultimately contribute to reducing newborn deaths in the developing world.

CREATED BY:  
LISA EDELSTEIN, HOUSE

In many developing countries, something as simple as a knit or crocheted cap can help the baby keep warm, which is key to helping newborns survive.

Nearly 4 million babies die each year in their first month of life - half within their first 24 hours - mostly from preventable or treatable causes. But by giving mothers and caregivers a package of simple tools, including guidance on healthy newborn care practices, the majority of these deaths could be prevented. Items crucial to saving more babies' lives include:

- ANTIBIOTICS TO TREAT INFECTION
- IMMUNIZATIONS AGAINST TETANUS
- SKILLED BIRTH ATTENDANTS AT EVERY BIRTH
- COUNSELING ON BREASTFEEDING
- INFORMATION ON BASIC NEWBORN CARE SUCH AS KEEPING THE CORD CLEAN AND KEEPING THE BABY WARM

**This is where you can help by making a cap!** Your caps will be sent to Save the Children's newborn health programs in Africa, Asia and Latin America. Visit [GoodGoes.org/caps](https://GoodGoes.org/caps) to see stories about how caps like yours are making a difference in the lives of mothers and children around the world.

# MAKING YOUR CAP

Making a cap is easy - just follow the patterns in this booklet or visit [GoodGoes.org/caps](http://GoodGoes.org/caps) to view additional patterns for newborn caps.

When you are finished, fill out a cap tag, attach it to your cap and ship your cap to the address below:

## CAPS FOR GOOD

Save the Children®

# YOU CAN HELP THE GOOD GO FURTHER

Did you finish your cap already?

Go to [GoodGoes.org/caps](http://GoodGoes.org/caps) to learn how you can:

## MAKE A CONTRIBUTION TO NEWBORN CARE

While a cap is key to keeping a baby warm, other items are also important. For \$10, Save the Children can provide mothers advice on essential newborn care like breastfeeding and keeping the baby warm so their babies have the best chance for a healthy start in life. Donate today!

## BRING CAPS FOR GOOD TO YOUR COMMUNITY

Do your friends knit or crochet? Does your local school want to participate in an inspiring project? This is the perfect opportunity to raise awareness about the needs of newborns around the world while interacting with your community and having fun doing something to help others.

## TELL YOUR ELECTED OFFICIAL THAT YOU ARE MAKING A CAP

It is important for policymakers to know about the issues that matter to you. Your cap can make a difference for one child and your voice can make a difference in the lives of millions.

# STAY IN THE LOOP

## Q&A

### HOW MANY CAPS SHOULD I MAKE?

The *Caps for Good* initiative is part of Save the Children's larger campaign to raise awareness on the issue of newborn and child survival. This is a grassroots movement and we want as many Americans as possible to participate. Making a cap is important - but so is telling your friends, family and co-workers about this project and enlisting their support. So instead of making a bunch of caps by yourself, make one cap and then encourage others to make a cap too. This will result in more caps and more people who care about this issue and feel empowered to make a difference. You can learn about other actions you can take to support this initiative at [GoodGoes.org/caps](http://GoodGoes.org/caps)

### IS THERE A PATTERN I SHOULD FOLLOW?

Yes! Please select one of the patterns in this toolkit for a basic knitted or crocheted cap for a low-birthweight baby. Feel free to use other patterns you may have - provided the finished cap is approximately 12" in circumference at the crown. You can visit [GoodGoes.org/caps](http://GoodGoes.org/caps) and [WarmUpAmerica.org](http://WarmUpAmerica.org) for more pattern options. We suggest using an easy care yarn.

### WHEN DO YOU NEED MY CAP?

The *Caps for Good* program will conclude on February 28, 2011. Although we know you love to knit and crochet, please do not send any caps after this date, as we will have already begun the process of shipping the caps to our programs overseas.

### WHY AM I SENDING MY CAP TO THE DOE FUND?

Save the Children staff do enjoy looking at the beautiful caps that are sent to our office, but we just don't have adequate space to store them at our headquarters. Please make sure to send your cap to the Doe Fund, a fulfillment house with which we work closely on this project. At the Doe Fund, the caps will be processed and stored until they are shipped. Look for a thank you postcard in the mail letting you know that your cap has been received.

### WHERE WILL MY CAP GO?

All handmade baby caps will be sent to select countries in Africa, Asia and Latin America at the conclusion of the *Caps for Good* program. Your cap will be distributed to a new mother and her baby through Save the Children's newborn health programs.

### CAN I SEND ITEMS OTHER THAN BABY CAPS?

While we appreciate your creativity, we cannot accept caps for older children and adults, machine-made caps or non-cap items like blankets, booties or clothing. We encourage you to donate these items to local charities or other organizations helping children and families.

### WHAT ELSE CAN I DO TO MAKE A DIFFERENCE?

An important part of the *Caps for Good* program is encouraging Americans to take action to help save the lives of newborns around the world. You can make a difference by lending your voice to our cause - host a knit/crochet event to involve your community, send a note to your elected official letting them know that you are participating, or donate \$10 to provide a package of newborn care to a new mother at [GoodGoes.org/caps](http://GoodGoes.org/caps).

### HOW CAN I GET MORE INFORMATION ABOUT CAPS FOR GOOD?

Go to [GoodGoes.org/caps](http://GoodGoes.org/caps) to get more information on the *Caps for Good* program, see who is participating, and learn more about what you can do in your community to make a difference in the lives of children globally. To get updates on our efforts, make sure to fill out the Stay in Loop form on page 8, or sign up to receive monthly Good Goes campaign updates at [GoodGoes.org](http://GoodGoes.org).
